

NANI KARIMI

CHIEF GROWTH OFFICER | BUSINESS TRANSFORMATION & MARKET EXPANSION | GCC

Dubai, UAE | +971 52 495 7760 | nanikarimiuae@yahoo.com | <https://www.linkedin.com/in/nanikarimi/>

EXECUTIVE PROFILE

C-level Growth & Business Transformation Executive with 16+ years of leadership experience across the GCC, Middle East and international markets. Proven track record in commercial growth, market expansion, new-venture development, strategic partnerships and large-scale brand activation across diversified holdings, automotive, manufacturing, trading, investment, luxury and real estate. Global leadership exposure across 185+ portfolio companies and markets including the UAE, Saudi Arabia, Qatar, Oman, Iran, Switzerland and Germany. Experienced in evaluating new business opportunities, supporting technology-led investments, building government and institutional relationships & partnerships, and taking complex ventures from strategy and positioning through launch, activation and market adoption.

CORE EXECUTIVE COMPETENCIES

Growth & Commercial Strategy • Business Transformation • Market Entry & Regional Expansion • New Venture & Investment Evaluation • Strategic Partnerships • Government & Institutional Engagement • Technology-Led Business Initiatives • Go-to-Market & Brand Activation • Executive Stakeholder Management • Venture Capital & Emerging-Sector Exposure

PROFESSIONAL EXPERIENCE

Co-Founder & Growth Advisor | Ritizic Marketing Agency

Dubai, UAE | 2021 - Present | Entrepreneurial / Advisory Platform

- Advise founders and businesses on GCC growth, market entry, strategic partnerships, positioning and high-value client acquisition.
- Develop commercial narratives and go-to-market frameworks that help complex propositions become understandable, relevant and attractive to executive, investor and premium audiences.
- Build senior-level networks and strategic relationship channels across founders, investors, family businesses and decision-makers in the UAE and GCC.

Global Chief Marketing Officer / Chief Growth Officer | Mammut / Ferdows Holding

Dubai, UAE-Global Role | 2020 - 2025

- Held a global executive mandate across a diversified ecosystem of 185+ subsidiary and affiliated companies, supporting growth, market expansion, new ventures and executive decision-making across Iran, UAE, Saudi Arabia, Qatar, Oman, Switzerland and Germany.
- Participated in the evaluation and commercialization of new investment opportunities across venture capital, fintech, blockchain, cryptocurrency and digital infrastructure, connecting market intelligence with positioning, partnerships and growth strategy.
- Contributed to the activation and launch of Exahertz Technology Park in Oman under Moonwalk Systems, our affiliated company, supporting the market-facing development of a major crypto-mining and digital-infrastructure initiative and engagement with relevant institutional and government stakeholders.
- Supported cross-border stakeholder engagement involving government, institutional and private-sector counterparts, helping create the relationships and market conditions required for new ventures and regional expansion.
- Led go-to-market visibility for new businesses and investments through brand strategy, major launches, exhibitions, executive events, partnership platforms and integrated market activation.
- Worked at the intersection of investment strategy and commercialization: assessing markets, shaping positioning, identifying partnership opportunities and supporting executive teams as new concepts moved toward launch and market adoption.
- Built and led a 168-member marketing organization, giving the group scalable capability across brand, communications, activation, events and multi-market execution.

Global Chief Marketing Officer | Mammut Group

Dubai, UAE – Iran 2018 - 2020

- Led portfolio-level growth, brand and communications strategy across a diversified holding structure with over 168 subsidiaries and affiliated companies and build a team of 168 from 0 to provide full marketing and strategy services to all subsidiaries, supporting new-business visibility and market development.
- Designed large-scale activation, exhibition and launch programs to translate corporate and product strategies into physical market presence and stakeholder engagement.

Marketing Director | Renault Group

Iran | 2017 - 2018

- Increased Renault's share of the imported-vehicle market from 8% to 39% through integrated market strategy, brand activation, product launches and commercial alignment.
- Led multi-channel customer acquisition, dealer-network activation and market-development initiatives at scale.

Marketing Director | BMW Group

Iran | 2012 - 2017

- Led premium brand growth, product launches, PR, experiential activations, dealer-network development and high-value customer engagement.
- Built market-facing programs designed for premium and UHNWI audiences, combining brand equity with commercial and relationship objectives.

SELECTED EXECUTIVE ACHIEVEMENTS

- Evaluated and supported new investment opportunities across venture capital, fintech, blockchain, cryptocurrency and digital infrastructure within a diversified holding environment.
- Activation and launch support for Exahertz Technology Park in Oman under Ferdows Holding, including market positioning and stakeholder engagement.

- Translated complex investment and technology-led propositions into market positioning, launch platforms, strategic partnerships and commercial visibility.
- Built cross-border executive, institutional and government relationships supporting investment initiatives, market entry and strategic growth.
- Held global commercial and growth leadership exposure across 185+ companies and built and led a 168-member marketing organization.
